

Newsletter January 2018

Welcome to our first newsletter of 2018!

We start the year with some images from our new website. If you haven't had a look yet, please visit www.loavesnfishes.co.uk and see what you think. As well as a new look, we have added online contact forms so that you can get in touch much more easily via email to arrange collections, give donations or simply send a general enquiry.

As ever, we rely heavily on donations to keep the work of the charity going. We always need items of furniture or other household items to redistribute to those in most need. If you are currently thinking of buying new furniture in the January sales, please consider donating your old items, as long as they meet the requirements set out on our website. For a list of what we need, please go to

<http://www.loavesnfishes.co.uk/donate/household-donations/>

We are delighted to announce that we have been selected by local recruitment business Jobsworth to be their chosen charity of 2018. Look out on our website for more details very soon.
